Activity Comment ***Private property***
 Please mark and locate any private utilities along the black iron rod fence at Johnnie Coleman school property. Please begin at the wooden utility pole along the fence approximately 50-60 ft west of Loomis along the south side of 119th. From there, locate going east along the school property line until you reach the handhole that was previously installed. At the handhole, mark an additional 15' radius around it in all directions. The proposed area above is pre-marked in pink paint. This shows the clear and concise area that is needed.
