Utility Construction
conduit install via directional bore/ open cut/ setting handhole

Work will use Boring Equipment
Hydraulic Equipment

Location of Dig Monarcas Academy school private property. Follow the white pre-marks to see our proposed conduit installation run.

Activity Comment ***All private property on Monarcas Academy (formerly Tonti)***
The starting point will be approximately 120' from the NE corner of 59th & Homan. From the starting point please be locating all applicable utilities going south along the property for 120'. Next turn and locate going east along the property line for approximately 260' At this point, you should be in front of the school sign. We will be setting a handhole here. Next turn and locate going north along the property line for 80' until you are in line with the caged gas meter. Next turn and locate west towards the building where there is newly installed steel riser and a junction box mounted on the wall. This work is being done for Crosstown Fiber.
