Enter the address where the work is to take place.

**Required Information*

Street Address *

[Previous Step](#)
[Next Step](#)

If you need assistance with your application or have a question, you can either email us at cdphpermits@cityofchicago.org, or you can contact 'The Air Permitting Section' at (312) 745-7206. If your question is about an existing permit application, please include the permit number or the address of your application.

Fill in the address where the work is taking place. If you do not enter a valid address, you may be prompted to correct it. Click next step to continue.

If your project is an emergency that has already started or needs to start within the next 10 business days, you must send an email to Otis Omenazu (Otis.Omenazu@cityofchicago.org) and Barbara Kay (Barbara.Kay@cityofchicago.org) with the subject line “Emergency Abatement Approval Needed for Application Number_____.” (Insert the application number from your online application.) In your email, explain the nature of the emergency and the actual start date. Upon approval, CDPH will enter the start date.

Describe the work that will be performed.

If your project is an emergency that needs to start within the next 10 business days, select “Emergency” in the Priority field below. In the Description of Work field, explain the nature of the emergency, as well as a description of the work to be performed. You will also be required to attach supporting documentation, including any emergency court orders, before completing this notice process.
