If you need assistance with your application or renewal process, you can contact us at 1-800-452-7029. If your question is about an existing permit application, please include your application number or the address of your application.

Select the '+Add Liquid Waste Report' button

When you select the + Add Location Report, this is the pop-up you will get. The Reporting year cannot be the current year. You must enter the Year and how many gallons were generated. If you enter a "Reclaimed" amount you must also enter a "Reused" amount and vice versa. One of these fields alone cannot be greater than zero. If one field is greater than zero, then the other field must also be greater than zero.
